2008 General Campground Information

- **CHECK-IN/OUT TIMES:** All campgrounds have a check-in and checkout time of 11:00 AM. Any site occupied after 11:00am will be subject to an additional night's fee. Please move your vehicle/tent from the campground by 11:00am on your day of checkout.
- **CAMPSITE CAPACITY:** Individual campsites have an occupancy limit of eight (8) persons, maximum; and no more than two (2) tents (except for Wonder Lake Campground which has a maximum of four (4) persons and two (2) 2-person tents).
- **CAMPSITE ASSIGNMENT:** All of Denali National Park's campgrounds operate on a non-site assignment basis -generally. Some sites at Riley Creek Campground are specifically designated for RV's / campers in length exceeding 31feet. Please do not occupy a site designated for "31feet and longer" if you have not been assigned to this type of site! Savage River Campground has a designated loop with pull-through sites specifically designed for RV's 31feet and longer. This loop is located on the first left turn after entering the Savage River Campground service road.
- **TENTS:** Tents must be erected on raised tent pads when provided. At Teklanika Campground tents may only be erected on the gravel parking pads in each camp site.
- **VEHICLES:** Up to two (2) vehicles per site are allowed at Riley Creek Campground (space available). One (1) vehicle is permitted at Savage and Teklanika Campgrounds. Wonder Lake has bus access only. There is a 40 foot limit on RV length that can be accommodated within all park RV-accessible campgrounds.
- **GENERATOR HOURS:** Generators may be used between 8:00am – 10:00am and 4:00pm – 8:00pm only.
There are no exceptions to posted generator hours. If your stay requires the use of a generator past the designated hours we suggest camping outside of the national park.
- **QUIET HOURS:** 10pm to 6am
- **FOOD STORAGE AND DISPOSAL:** Food, drinks, coolers, and cooking utensils (including stoves and grills) must be secured in a hard-sided vehicle or designated food locker when not immediately in use. Never leave food unattended, even for a short time. All garbage must be properly disposed of immediately in campground provided bear proof garbage cans.
- **FIRES:** Fires are permitted at Riley Creek, Savage and Teklanika Campgrounds in established campsite fire grates only. No fires are permitted at Wonder Lake. No gathering of firewood is permitted within the park; firewood is available for sale at the Riley Creek Mercantile at Mile 0.5 on the Park Road. Do not burn trash in campfires.
- **PETS:** Pets must remain on a leash and can be walked on roadways only (no trails, or off the road). Do not leave pets unattended at any time. Pet food is to be stored and handled in the same manner as human food, and stored in a hard sided vehicle or food locker when not in use. Pet waste must be picked up and disposed of in a garbage can.
- **WILDLIFE:** Never feed wildlife of any kind (this includes gulls, squirrels, and foxes).

- Dispose of gray water at the following locations:
 - **Riley Creek Campground:** use gray water sinks near the restrooms; clean food particles out of and rinse sinks, dispose of food particles in bear proof trash cans, and close doors when you leave.
 - **Savage Campground:** dump gray water in the flush toilets, not in portable toilets.
 - **Teklanika Campground:** use gray water basins near the restrooms; please clean food particles out of basin and rinse with water from a spigot.
 - **Sanctuary Campground:** remove food particles from gray water and dispose of in bear proof trash cans; disperse cleaned gray water in bushes away from campsites.
 - **Wonder Lake Campground:** use gray water sink at the restroom building; clean food particles out of and rinse the sink well.
